

INTELEX® CORPORATION
PAST MASTERS® SERIES

THE PHILOSOPHY COLLECTION

InteLex Corporation's *Past Masters* series encompasses the largest collection of full-text electronic editions in philosophy in the world. The series includes significant collections in the history of political thought and theory, religious studies, education, German studies, sociology, the history and philosophy of science, economics, and classics. InteLex acquires and develops definitive editions of the full corpora of the seminal figures in the history of the human sciences, including published and unpublished works, articles, essays, reviews, and correspondence. The *Past Masters* series has opened a new and exciting chapter in the history of scholarly research, and is now being utilized at over 200 research libraries in North America and Europe, and at over 1300 institutions in 46 countries worldwide.

Past Masters titles reproduce definitive print editions in highest quality electronic form. All of the print apparatus is included and is fully searchable. Full-text searching may be made within any single volume, across an entire collection, or across all titles. InteLex also publishes content found exclusively in the series which does not exist in print, such as *The Correspondence of John Dewey: 1871-1952* or *Wittgenstein: Gesamtbriefwechsel*.
